Parlour Wine Room is based in the historic and former Hotel Acton, which was designed by Commonwealth Architect John Smith Murdoch as a replica of the Hotel Kurrajong in Barton. The first guests arrived to celebrate the opening of Parliament House on May 9<sup>th</sup> 1927. Today, we are proud to add your event to the building's wealth of stories and occasions.

Celebrate every special occasion with our exquisite function packages, designed to create a memorable experience for you and your guests. These packages combine outstanding cuisine, seamless service, and elegant presentation, providing everything you need for the perfect day.
